Seen, Heard and Told

By The Editor

—V—

This issue is dedicated to the Second War Bond Drive of which Mr. B. C. Adams is local chairman and the writer local publicity agent. Ben gets nothing but honor out of it, but I get some nice ads prepared by the U. S. Treasury.

See where they dedicated a $200,000 monument to Thomas Jefferson the other day. If Thomas knew what damphoolishness was going on today in the name of Democracy, he would have a conniption fit and crawl plum out of his grave at Monticello.

The Mayor is publishing a statement to the effect that Mr. Odom, the City Marshal, is paying his own expenses to the FBI School in Washington. I wonder if it would be fair to ask that, if, after his term is over at the FBI school, and he returns to duty in Grenada, the City will pay him an amount about equivalent to reimburse him for his expenses, to instruct the other men on the local force? Or is that a fair question?

The old lady and I expect both of our daughters, Dorothy at the University of Missouri, and Carolina at All Saints, home for the Easter holidays. The spoiled one comes home nearly every week. Dorothy has been away since last September.

We had one fire here Wednesday but, so far, not TWO fires at the SAME time.

That article appearing elsewhere about abolishing some traffic lights to save gas and rubber applied to Memphis, not Grenada.

The overseer and I have gone to the Mississippi Coast.

Ensign Ben Adams, USN, otherwise "Little Ben" is home for a week's leave after being at sea for many months. Needless to say his parents are elated over the stay, even if a short one, of their only son.

The old lady and I have four kids, and we were delighted to see one of ours, Corporal Andrew Whittaker, home Wednesday afternoon.

I think the men in the service should have the BEST of everything, but I do not think that civilians should be starved to death or be so restricted in their purchases and in their travels that they will lose morale, for that loss would be disastrous.

The billiard halls of Grenada were open for business Sunday and this helped to a small extent to relieve the monotony of existence of the soldiers. I realize that the "help" in places of business MUST have rest, and it might be feasible to do here, as I understand, is being done in other places—keep open Sundays and close on Mondays.

I do not yet see how our local milk producers keep up with the tremendous demands upon them. They are doing a fine job.

Brother E. R. Henderson, the "Marrying Preacher," brought in two dollars for a renewal. He is a fine man. He and Mrs. Henderson have reared a fine family.

John Pressgrove decided that he needed a picture showing him as a man, and not like a boy. The boy pictures are the ones we have been using all the time.

Please tell us when the boy in service comes home, so we can make a news item of it.

dere mr top. du yu gess mr dinner$ murfy has lade thet lan pateat goat.

Most of the traffic lights are damn nuisances and terribly wasteful of rubber, gas and patience.

Mr. Will Martin went to church last Sunday.

The Jacks from Philipp in the free state was over in Mississippi Saturday.

Brother Vollie would make a good editorial writer.

Sam and his crowd took a vacation Sunday.

I dreamed I saw Uncle Nan Staten Saturday night.

The conservative people of the South are damn tired of this damphool Ned Deallism and, likely, will form a new party.

We are going to have to let some of these social gains slip if we are to win the war.

Ned Lee certainly skinned poor Mike Conner last week. He must not like Mike.

J. P. Pressgrove Announces For Re-Election

Mr. John P. Pressgrove has authorized the GCW to announce that he is a candidate for reelection, and that he is willing to run on the record that he has made in the important office of Chancery Clerk.

When he entered office the bonded

debt of Grenada County was over 800,000.00. Today the debt has been reduced to less than $300,000.00. Many redeemable bonds bearing as high as 6 percent have been refunded on a 2 plus basis. His able assistance to the board of supervisors was, of course, partially responsible for this healthy condition of Grenada County.

Everyone knows John Pressgrove, and it looks as if half of the people carry their troubles to him, and he always tries his best—often with success—to help them. Like a country newspaper man, a good Chancery Clerk has to spend most of his time doing things beyond the scope of his legally defined duties.

Mr. Pressgrove's personal friendship with the late Senator Harrison and with other "big shots" gave him an entree in Washington which he has used to aid in getting many things for Grenada County that otherwise the county would not have received, for example the fine improvement in the county court house.

Seeking to introduce Mr. Pressgrove to the people is like the proverbial "carrying coals to Newcastle."

Grenada High School On Top Again

Grenada High School has again won first place in the Literary Contests held at Sardis and Grenada on March 21, for the North Central Mississippi Region. This year the points scored totaled 77. Individual ratings scored for our school are as follows:

Typing, Mary Neil Rayburn, first; American History, Larry Noble, first; Home Economics, Mary Cornick, first; Latin, I, Mary Jane Perry, first; Chemistry, Ralph Blaylock, first; Algebra I, Joe Talbert, first; Algebra II, Maxine Tilghman, first; Plane Geometry, Willie E. Campbell, first; Bookkeeping, Catherine Herring, first; Physics, Walter Dean Vick, second; Latin II, Guy Robinson, second; Problems in American Democracy, Bennie Moore, second; English III, Margaret Green, second; English IV, Lucy Moss, second; General Science, Conrad Walker, second; Biology, Ruth Townes, third; English I, Patty Ann Prather, fourth; World History, Olga Lewis, fourth; English II, Blanton Duncan, fifth; Declamation, Larry Noble, first; Expression, Laverne Wilson, first.

Glen Thomas Enters Race For Supervisor District 4

Beat Four erupted into political activity this week after a period of somnolence.

Glen Thomas, member of a well-known and large family, is making his first bid for public office.

He is a native of Beat Four, has reared his family there and is well known to everyone in that district.

He aspires to be elected and to make Beat Four the very BEST supervisor that it has ever had, and promises to treat everyone fairly, and to measure each person with the same yardstick. He has always taken an active interest in county and beat affairs, but this is his first time to enter the political arena seeking an office for himself.

During the time elapsing between now and the primary, he expects to contact each and every voter in his beat and to discuss face to face the several issues in the campaign.

Folks want the small publisher printer to give all of the free publicity, but generally carry their paid work to the commercial printers.

Seeks District Attorneyship

JACK CARLISLE

Mr. Carlisle's formal announcement will be found on the editorial page.

NOTICE TO THE PUBLIC

There will be a review of the 87th Infantry Division at Camp McCain on April 17, 3:00 P. M. The public is invited to attend. Signs will be posted at the main gate, directing traffic to the review field. Parking facilities will be provided in the vicinity of the field.

Insignias Presented USO-Military Maids Officers

Fifteen officers of the USO-Military Maids, representing seven North Mississippi towns, were decorated with insignias of rank by Major General P. W. Clarkson, commander of the 87th Division, at a regimental ball sponsored by the 346th Infantry reiment last Tuesday night at Camp McCain.

Assisting General Clarkson in the presentation was Colonel Ira Ryder, Commander Camp McCain Post, and Colonel Grace Robinson, of Grenada, commander of the Military Maids.

Those decorated included Captains Elgie Robinson, Hazel Turner, Mary Hazel Phillips, Ruth Talbert, Beebe Cullen, Elizabeth Waller, Minnie Lou Sisson, Dorothy McCracken, Nancy Nelson Granberry, and Lieutenant Francis O'Keefe, all of Grenada.

Captains Grace Latham Bennett, Water Valley; Ruth Rogers, Coffeeville; Clyde Ford, Eupora; Mary Lida Vance, Batesville; and Captain Carolyn Hightower, and Colonel Mary Elizabeth Boykin, of Winona.

The dance was formal and was held in conjunction with the Division War Bond Contest. Around the walls of the dance floor were Bond posters entered in the poster contest. A bond is being offered for the best entry.

The ceremony was opened by the Military Maids, escorted down the floor by non-commissioned officers of the division, who made a large "V" as General Clarkson called them forward for their decorations.

The Military Maids, under the direction of Mrs. H. A. Alexander, have been functioning as a unit a little over three months, and participates in the weekly dances and other entertainment at the camp.

Lieutenant Willie Townsend, Special Service Officer of the 346th arranged the details of the Tuesday night dance.

Mr. E. G. Stockard Died Here Tuesday

Mr. E. G. Stockard, of Grenada, died at his home, the former Eugene Myres place south of town, at six o'clock, Tuesday morning, April 13, 1943. Mr. Stockard fell on an up town street Monday afternoon and sustained a broken leg. His condition became worse during the night and his sudden passing early Tuesday morning was a great shock to his family and friends. He was 73 years of age. Burial was held at the cemetery at Yokena, near Vicksburg on Wednesday.

Survivors include his widow, and six children, three sons are E. G. Stockard, Germania, Miss., A. E. Stockard, Baltimore, Md. Clyde Stockard, Savannah, Ga., and three daughters, Mrs. P. T. Hullum, Yokena, Miss. and Misses Marguret and Patty Stockard, of Grenada.

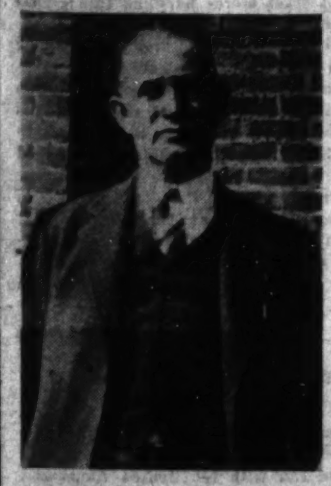
A more complete account will be given next week.

ANNOUNCEMENT

The U. D. C. will meet at the home of Mrs. L. A. Peacock on Second Street Thursday, April 22, at 3 p. m. All members are urged to be present as election of officers will be held.

J. B. Strider Announces For Re-Election

I hereby announce for reelection for Supervisor District No. 4, Grenada County. I have served you people for four years. I have done my best. I know I have made some mistakes but will try not to make the same one twice. When I went in office I had



nothing to work the roads with, now we have two tractors, two graders, two trucks, road slips and a Euclid, all paid for and still running on cash basis.

In place of raising taxes we have lowered them. I think every one knows the roads are better than they were when I went in office. I have tried to work all roads alike and if elected will treat all the same. I will try to see every one in the District personally. I think I can make you a better supervisor the next four years than I have these four, because I know more about the business. I will sincerely appreciate yyour vote.

J. B. STRIDER.

Hubert Clark Shoves Stelson in Beat 3 Race

The entrance of Hubert Clark into the race for supervisor from Beat Three is likely to add a good deal of pep into that race, now a four-cornered affair.

He is living in the house where he was born in the eastern part of Beat Three. The Clarks have been in this county nearly, if not quite a century; and, through the years, have been heavy taxpayers, and good citizens.

Since Hubert himself is responsible for the payment of taxes on his own property and that of others, he is keenly aware of the burden of taxation. Therefore, he, if for only selfish reasons, advocates a program of economy. If elected, he hopes to have "Economy" as his watchword.

He has never held elective office in the strict sense, but has been honored by being repeatedly elected as Chairman of the Triple A county committee, and as member of the Democratic Executive Committee.

Known as he is to everyone in Beat Three and to almost everyone of the county, it is not necessary to dwell further on the subject. Suffice to say he proposed, since his hat is in the ring, to make an aggressive campaign.

Sixteen Officers of 87th Recently Promoted

Sixteen officers of the 87th Infantry Division, commanded by Major General P. W. Clarkson, have been recently promoted.

Among them Lt. Patrick H. Johnson, son of Gov. Paul B. Johnson, of Mississippi, who was elevated to the rank of first lieutenant.

The list of those promoted includes Charles L. Williams to Lt. Col.; Alvin L. Folley to Major; Van Tyson to Major; Ben H. Harmon to Captain; Raymond J. Booth to Captain; Bruce W. Gibson to Captain; Harold B. Steus to 1st Lt.; Paul B. McCain to 1st Lt.; Waverly D. Bretz to 1st Lt.; John Eskol to 1st Lt.; Dennis J. Sweeny to 1st Lt.; Samuel H. Thompson to 1st Lt.; Maurice P. Beck to 1st Lt.; Jerry Harter to 1st Lt.; and Matthew Spiegel to 1st Lt.

Red Cross War Drive Nears Goal

Mr. Hurd Horton, Sr. Red Cross Chairman of the War Drive announces the total sum collected at $11,087.24. Our quota is $12,200.00, so please give to this drive and put Grenada over the top.

The State Libray has been added to our very limited free list, on its request.

SECOND WAR LOAN DRIVE TO RAISE 13 BILLION DOLLARS BY APRIL 24TH

MEN OF THE 87 Infantry Division

87TH DIVISION REVIEW

This Saturday the 87th Infantry Division will conduct its first review. The public is invited to attend. Military bands will blare out their stirring music and the soldiers will step smartly as they pass the reviewing stand. To the young men of the 87th this will be an important event. Many other reviews will take place during the coming months, but this first review is the one which will become a part of the history of the "Acorn Division."

USO-MILITARY MAIDS

More than 200 young ladies from Grenada, Winona, Water Valley, Batesville and Eupora attended the 87th Division dance Tuesday night at the Service Club. The dance was sponsored by the 346th Infantry. This is a far cry from situations in other camps where soldiers outnumber girls as much as 5 to 1. Which all proves that the people of neighboring communities are cooperating wholeheartedly with the activities of the "Acorn Division."

RELIGION AND THE SOLDIER

Be it Catholic, Protestant or Jewish preference the individual soldier's church need are well taken care of in the 87th Division at Camp

There are five chapels serving the men of the 87th, one for each of the three Infantry Regiments, one for the Division Artillery, and one for the Special Troops. Five other chapels are situated in Camp McCain, but these are for the Post personnel.

Five Catholic and ten Protestant Chaplains are numbered among the Division Personnel, and the Jewish services are conducted by a member of the USO Welfare Board, the nearest Rabbi being in Greenwood.

In the 87th, as in every Division, the Chaplain serves as a clearing house for the soldier's troubles. From domestic problems to family disturbances the Chaplain stands ready to offer a helping hand. If a soldier's wife or sweetheart is coming down and the soldier can't get off to meet her—tell the Chaplain—he'll see that the person is met.

And so it goes day in, day out—a word of advice here—a prayer there—the Chaplain works on, making better soldiers and better Christians out of the men in the 87th.

And on Sunday—to overflowing Chapel, he preaches. But preaches isn't exactly the right word—he talks—he talks to the boys as one soldier to another, talks that impress, sending the soldier away thinking and perhaps recalling memories of the little church back home.

The United States Government's Second War Loan drive, which has for its objective the raising of 13-Billion dollars nationally between now and April 30th, got off to a flying start in Mississippi this week with the state determined to muster its entire quota of $25,810,000 by April 24th as the home front gift to Mississippi's gallant fighting men.

"They give their lives, you lend your money" is the battle-cry of this all out offensive, which represents the most gigantic undertaking of its kind in the history of the world. Thirteen billion dollars are desperately needed by the Government to provide arms and equipment for America's fighting men, and the Teasury Department is calling upon every man, woman and child to buy at least one extra bond a week between now and April 30th and help put the Second War Loan over quota.

Grenada county's part of the national quota has been fixed at $180,000.00, and a concerted drive is now under way here to raise this money before April 24th. Chairman B. C. Adams and his War Finance Committee urge the cooperation of every citizen in helping make the local Second War Loan drive a success.

"If every person in Grenada county will do his or her part," Chairman Adams pointed out, "We'll raise our quota of $180,000.00 by April 24th, then we can observe Easter knowing that we've done of best to insure victory for our fighting men, and peace for the world."

In discussing the Second War Loan drive in this county, Chairman Adams expressed satisfaction with results to date, and was particularly ratified with the response which the women ar giving this activity.

"Many women's War Bond committees and other organizations have been asked to and have pledged themselves to completely outfit as many Mississippi fighters as possible, according to the 'Outfitting the Outfit' plan so popular with women nationally. It costs $155 to outfit a soldier, but during the next two weeks, our women plan to completely outfit our fighting men by helping raise our quota through War Bond purchases."

Although plans are already being made in this county to observe "One Hundred Percent Day" April 24th, Chairman Adams was quick to point out the danger of over-confidence.

"We cannot take anything for granted these days," he declared, "and no stone must be left unturned until we raise every single penny of our quota. I am confident that every person in this county will do his or her part in helping us go over the top. We cannot—we must not fail to make the Second War Loan drive a complete success in our county."

Gore Springs Consolidated School To Close Friday

Gore Springs High School will close a very successful session Friday night, April 16, at 8:30, with the Commencement exercises.

The speaker on this occasion will be Mr. A. M. Carothers, of Grenada. Diplomas will be delivered to the following graduates: Virginia Blakely (Valedictorian), Marie Waugh, (Salutatorian), Mattie Laura Morman, Sybil Gibbs, Kathleen Nail, James Blount, Charles Trussell, and Leroy Trussell

This program will conclude a series of Commencement exercises which included a music recital by the piano students, an operetta by the elementary grades, and the senior play, "I'm in the Army Now."

Lt. Manley E. Fairchild, Hospital Chaplain of Camp McCain, delivered the Baccalaureate sermon, Sunday, April 11. His associate, Chaplain Scott also took part in this service.

Five Highest Ranking Seniors

Every year the five seniors of GHS with highest scholastic rating have the honor of hearing their names read in chapel. This is a great honor indeed for all their four years high school grades are averaged to determine the ranking five.

The valedictorian of the senior class was found to be Ralph Blaylock.

Salutatorian, Lucy Moss.

3rd, Bennie Moore.

4th Rogers Pleasants.

5th, Mary Elizabeth Cowan.

We are very proud of our senior class of '43. We have made an outstanding record.

Aint they sweet.

Closing Exercises Holcomb High School Begun

The closing exercises of the Holcomb School got under way with presentation of the Senior Class play "Diamonds" Friday, April 9th to the largest audience in the history of the school. A musical recital was presented the night of April 13th by the pupils of Mrs. Mable Moorhead. The commencement sermon will be delivered by Rev. William F. Garner, pastor of the Baptist Church at Holcomb, on Sunday evening, April 18th, High School auditorium.

The final exercises will be held on Monday evening, April 19th when Rev. W. L. Robinson, of Grenada, will deliver the baccalaureate address to the graduating class. The following seniors will receive diplomas: Jewel Minyard, Mararet Ann Scott, Margie Allen, Mary Emmons, Katherine Bell, Larayne Johnson, Dorothy Simpson, Marie Manuel, Myrtle Staten, Norman Eidson, Clifton Neal, Garnet Hammons and Melville Johnson. The Valedictorian is Margie Allen and the Salutatorian is Garnet Hammons. The School Board consists of W. E. Cresswell, President, Mrs. P. B. Scott, Secretary, and A. W. Hammons Member.

The Little Inn Opened Last Saturday

The Little Inn, formerly operated near the camp, opened in Grenada on last Saturday in the Salmon old building on the corner of Doak and First, and certainly has been a help in feeding the soldiers who heretofore had only one other place in uptown Grenada to eat.

Mr. Tom Darras, the proprietor, waited until his cafe received full approval from the state and government sanitary officers and states that, since he is "on limits", he is going to do everything possible to stay "on."

THE "HEALTH FOR VICTORY" CLUB MEETS ONCE EACH MONTH

The "Health for Victory" Club was founded by the Westinghouse Electric and Manufacturing Company at Mansfield, Ohio, for the purpose of encouraging more healthful nutrition habits among their employes, as an aid to the National Nutrition Campaign in general, and an aid to their War Production schedule in particular.

The club membership is free and all housewives are invited to attend the meetings at the Methodist Church kitchen on Wednesday, April 21, at 3 p. m.

The club members attend a meeting once a month where they see demonstrations which prove the importance of properly balanced meals, how to select and prepare the foods to be assured of sufficient vitamins and simple cooking methods to prevent vitamin destruction. Also, demonstrations to make it easily understood what effect each vitamin has on the human body. Mrs Gillis, nutritionist at M. P. & L. Co. teaches the class. Her lectures are splendid, so plan to be there.

At each meeting, every member receives a Meal Planning Guide, which is a book containing a menu for every meal, every day in the coming month, —for breakfast, lunch, dinner, and lunch box. Contained in the book are all the recipes for the menus. The prepared dishes are often given as prizes.

There is a new Meal Planning Guide each month and each menu is designed to:

1. Please the man who eats it.
2. Be novel enough to be fun for the women to prepare.
3. Use the foods in season that particular month.
5. And be scientifically balanced.

The establishing of "Health for Victory" Clubs is an important function because better nutrition for our people is important, if we consider the following evidences—and because we are at war with a strong enemy, we should consider it very carefully.

The above school is sponsored by the Iris Club of Grenada.

HUGGINS-PARKS

Miss Dorothy E. Parks, daughter of Mrs. Estelle Parks and the late Mr. Parks, of Grenada, became the bride of Sgt. William M. Huggins, of Camp McCain, Miss., son of Mrs. Evie Huggins and the late Mr. Huggins, of Georgianna Alabama, at 9:30 Thursday evening, April 1st, at the home of Rev. Joseph Flowers, pastor of the First Baptist Church, Winona Miss.

The bride is one of Grenada's charming young ladies who received her education and diploma at Grenada High School. She also received her business training there and since graduation has worked at Mississippi Benefit Association office in Grenada.

For her wedding she wore a lovely blue suit and chose luggage tan accessories.

The groom, stationed at Camp McCain, is a Sergeant and is a graduate of the High School at Georgianna, Alabama.

They will reside in Grenada at the home of Mr. and Mrs. J. B. Williams, Sr.

Ensign Paul Lockett, who has been stationed at New Orleans Naval Base visited his mother, Mrs. C. E. Lockett and family the past week. He is to report for duty at Norman, Okla. early this week

---

Mr. and Mrs. W. E. Jackson were happy to have with them the past week end their relatives, Mr. and Mrs. Flint Jackson, of Omaha, Neb. and Mr. and Mrs. Jim O'Neal and daughter, Martha Lou, of Marks, Miss. Mr. Jackson of Omaha and Mrs. O'Neal of Marks, are cousins of Mr Jackson. They left late Sunday afternoon for Houston and from there will go on to San Francisco, California.

GRENADA GARDEN CLUB

On Thursday of this week, April 15th the Grenada Garden Club will hold its regular meeting in the home of Mrs. John Ben Perry, Sr., at 3:30 o'clock. On program are Mrs. George Grant, who will give a paper on "Vitamin Victuals and Victory", and Mrs. L. J. Doak, who will give a talk on "Patriotic Flower Gardens. The ladies are reminded that the second meeting of the Nutrition class, sponsored by the Iris Club, will meet at the Methodist Church kitchen at 3 o'clock on Wednesday, April 21.

EPISCOPAL SERVICE HOLY WEEK

During Holy Week the following services will be held at All Saints Episcopal Church. On Monday, Tuesday, Wednesday and Thursday, celebration of Holy Communion will be at 10 a. m.

On Good Friday, April 23, the Last Hour observance, between 2 and 3 p. m. will be held.

Easter Service to be announced next week.

Mrs. Paul Gerard and two young sons, of Cleveland, Miss., visited their mother and grandmother, Mrs. Allie Gerard the past week end. Mrs. Allie Gerard had spent the past week with her son, Mr. Wm. Gerard and family in Winona and returned home on Friday.

PENN-CREARY

Mr. and Mrs. Joseph E. Creary, of Milton, Fla., announce the marriage of their daughter, Miss Betty Creary, to Lieutenant Edward Penn, April 2. The wedding was solemnized in the home of the bride's parents in Milton Florida.

Lieut. Penn, who is with the Air Corps has been stationed at Eglin Field, Florida since he received his commission at Miami last July except for two months training at Fairfield, Ohio.

Lieut. Penn is the son of Mrs C. C Penn, of Grenada, Miss.

Mr. and Mrs. Fred White had as their guests on Sunday last, their sister, Miss Stella White and her friend, Mrs. George Kendal, of Memphis.

Dr. and Mrs. D. D. Saunders, of Roebuck Plantation, Leflore County, were guests of their son, Mr. W. H. Saunders on Tuesday of this week.

BIRTHDAY DINNER AND PARTY

Tucker Irvin Johnson, handsome young son of Mr. and Mrs. Irvin Johnson, celebrated his tenth birthday with a gay dinner party at his lovely country home South of town on Sunday afternoon, April 11, between the hours of 6 and 8 o'clock.

The decorative scheme of white and yellow also an interesting Easter Rabbit moptif added charm and a festive dinner was served at three small tables arranged in the living room, and here again the white and yellow colors were emphasized in place cards and favors. Potted plants and cut flowers were arranged most attractively. Following the first course the beautiful birthday cake was cut and served with cream. The children enjoyed games and besides the favors given a large Easter rabbit was given as a prize. The rain on that afternoon caused the youngsters to stage these games indoors. Those present included the host, Irvin Johnson, Mary Frances McElwrath, Ann Horton, Donna Jean Sharp, Nancy Mae Nail, Ann Robinson, Beebe Gwinn, Tom Cathey, Jimmie Cooley, Eli Whitaker, Howard Cheek and Orley Lilly.

Mrs. F. M. Moore has returned to her home after spending the winter in the home of her daughter, Mrs. L. W. Love, at Jackson.

AUXILIARY MEETS

All Saints Episcopal Auxiliary met at the home of Mrs. W. W. Whitaker on Monday afternoon with fifteen members present.

The devotional and regular business was followed by the lesson study program. The Auxiliary will not meet on Monday, April 19, as the members will be in regular attendance throughout Holy Week, following Palm Sunday.

Mrs. Joe E. Veazey and Miss D. Smith of Senatobia, attended Dr. Stacy's funeral last Tuesday and remained in Grenada several days as guests of their sister, Mrs. Glen D. Thomason.

Mr. and Mrs. Joe Neely were business visitors in Memphis on Wednesday as were Mr. and Mrs. Hodgkins

---

Seaman Second Class, Store Keeper, Harper Hughes, of California, arrived Wednesday to visit his wife and his sister, Mrs. Cobb Trusty.

Sgt. Ray Horton, of Camp Jackson, S. C. is at home for a ten day visit with his parents, Mr. and Mrs. Finley Horton.

Mr. Frank Anderson, of Memphis who works at Camp McCain, is the house guest of his sister, Mrs. F. A Stacy. On Tuesday Mrs. Stacy's sister-in-law from Water Valley, who is the wife of Dr. Stacy, of that town visited her here.

Mr. and Mrs. J. R. Lockett and baby daughter, of Clarksdale, visited their mother, Mrs. C. E. Lockett and family the past week-end.

Miss Adele Hoffa is in Memphis on an extended visit in the home of her sister, Mrs. R. P. Lake, who has been ill, but who is now improving.

Mrs. A. W. George left Sunday for Chicago, where she joined Mrs. Rayford Brown for a visit of several weeks.

TUESDAY BRIDGE CLUB

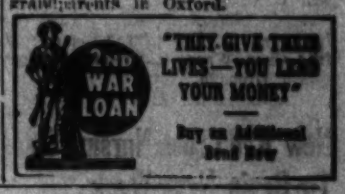
The Tuesday Bridge Club met at the home of Mrs. Gertrude Mardess on Union Street Tuesday afternoon at 3:30 o'clock.

The MacDowell Musicale "sold out" all War Savings Stamps at the door on Friday night when they presented in concert arrangement, Cpl. Balaks, violinist and Cpl. Moore, baritone, soldiers from Camp McCain at the High School auditorium. The ladies and artists are to be congratulated because of this successful and delightful effort to sell War Savings Stamps and aid the national effort.

Mrs. O. F. Lawrence left early this week for Memphis.

Tech. Sgt. Juel Batson, of Del Rio, Texas, is at home for a visit with his wife.

Mrs. Marshall Perry and little daughter are visiting their parents and grandparents in Oxford.



THE 2nd WAR LOAN DRIVE IS ON!

America....you've got to get tougher!

AMERICA — Let's be frank about it . . . so far, many of us back home have been fighting this war from an easy chair. Many of us have bought War Bonds out of *extra* cash, out of money we didn't miss too much. We haven't been really tough with ourselves.

But this war is a hard, down-to-reality war. And many of our boys are dying in it.

We've got to buy MORE

So your government asks you to buy Bonds and *more* Bonds—to get really tough with yourself. We're asking you to give up the frills and "extras."

We know how human it is not to make sacrifices until the crisis drives us to it. In England they felt the same way until the bombs started falling.

Bombs are such persuasive things. But just as persuasive ought to be the spirit of our brothers, sons, husbands.

If you could see

Look at it this way—suppose you had a magic carpet that could take you to Africa and New Guinea. Suppose you could hear the groan of American boys wounded, and American boys dying. . . . Saw now, how many Bonds would you buy?

That kind of war

THEY . . . *are* dying. And they will keep on dying until we drown the enemy in an overwhelming torrent of bombs, bullets, guns, tanks, planes, ships, and shells.

That's why we're asking you, in this one month of April alone, to lend Uncle Sam 13 billions of dollars—by buying War Bonds. 13 billions of *extra* dollars—over and above any buying that you'd be doing anyway!

A lot of money

Of course, 13 billion dollars is a lot of money. It'll take sweat and tears to raise it. It'll mean going *without* now. But also—it will mean savings now—to buy later. It'll mean giving up *everything* you can't square with your conscience, so that we, us, our children, can have a better, more decent place to live in when this war is won.

The drive is on

So during this month of April, if someone calls on you to ask you to buy War Bonds in this 2ND WAR LOAN DRIVE, will you buy to the limit—and then buy more?

Better yet, will you go to your Bank, Postoffice, or wherever you're used to buying your Bonds—and buy NOW? Will you lend *extra* money this month? Money that can hasten the day of Victory? Money that can help to save American lives.

Money buys money

Remember, what you're really buying with your money is still *more* money. For after all, these Bonds are *money!* Money plus! Every dollar you put into War Bonds will bring you a dollar *plus interest.*

So the more Bonds you buy the better for you. Americans — Get Tough — with yourselves — for your country.

There are 7 Different types of U. S. Government Securities —Choose the ones best suited for you:

United States War Savings Bonds—Series E: The perfect investment for individual and family savings. Gives you back $4 for every $3 when the Bond matures. Designed especially for the smaller investor. Dated 1st day of month in which payment is received. Interest: 2.9% a year if held to maturity. Denominations: $25, $50, $100, $500, $1000. Redemption: any time 60 days after issue date. Price: 75% of maturity value.

Second War Loan

The greatest financial undertaking by our Government in its history—or by any Government in the history of the world—was launched on April 12th, with the beginning of the Second War Loan.

Thirteen billion dollars must be raised within the period of a few weeks, and an increasing amount of this must come from the current income and savings of every man, woman and child in the country.

Realising the vital urgency of driving home to the American people the importance of the Second War Loan, the Allied Newspaper Council, a committee representing practically every daily and weekly newspaper in the United States, through various newspaper associations, has pledged the all-out support of newspapers to this Second War Loan drive.

While in many ways the Second War Loan is one of the biggest stories of the war to date, it is in its essence, a local story for every community in the land. This is because the sales impetus that must launch and bring this drive to a successful conclusion must come from each local community. That's where the local newspapers play a preeminent role in this campaign. The facts briefly are these:

1. The Second War Loan must raise $13,000,000,000, of which $8,000,000,000 must come from non-banking sources. Grenada County's quota is $180,000.00.

2. The slogan for the drive is "They Give Their Lives—You Lend Your Money."

3. We want to avoid being hysterical but most certainly we must bring home to the people the need to match in some slight measure, through the loaning of our money to the Government, the sacrifices that the boys from every community in the country are making in the armed forces.

Marine Speaks Up

Editor's Note: How does a wounded Marine, invalided home from Guadalcanal, feel about the battle of production? The following letter was written by Corporal Ed Mosey.

"Fellows:

"I hope some of you remember Joe Mosey's kid.

"The government gave me a free trip to Guadalcanal, and after three and a half months there, sent me back to the states. When we landed on August 7 the population of Guadalcanal was 95 percent Japs and 5 percent natives. It was our job to exterminate, to kill every one of those slant eyed . . . . . We soon accomplished this. . . .

"The men we lost, the casualties we suffered in each encounter were not as great as the Japs', but to see the blood of American youth flowing so freely, to see your friends lying there calling for their family, begging their God to help them, is something that enkindled in your heart an awesome hate for the enemy. Yes, it aroused in you the savage instinct to kill and love it.

. . . since my arrival back in the states I have been so damned disgusted and disappointed with you civilians who are supposed to compose our home front. I wonder if the American flag would now be waving on Guadalcanal, on Tulagi and the other islands if the Marines had the careless, selfish attitude of most of the civilian workers.

"I wonder how the boys who are left in my outfit would feel if I wrote and told them that I read in the newspapers about strikes, about the trouble employers are having in defense industries because men take a one or two-day vacation whenever they feel like it; that the men are likely to come to work drunk or partially so, and turn out defective work

"Even before the war when I was with ESCO, I know that most of the work we were doing was for Uncle Sam. Now I believe all your work is for the government. For God's sake turn it out good and turn it out fast.

"I have a navy chief in the bed alongside of me. He was at Pearl Harbor December 7, 1941. He asked me who the babe is I'm writing to I put him straight and told him I wanted to somehow make you men realize how important your work is. These are his exact words: 'Tell those guys that if they were over there for 20 minutes, they'd come home and work for nothing.'"

Special Session

If the Governor thinks a special session of the legislature is necessary to provide additional salaries to the school teachers of the state, he should call the special session. It is his duty to do so.

However it should be called NOW, not after the August elections. I can see no reason, other than a possible political reason, for delaying the session.

It would be a pity for Governor Johnson, who has no further political ambition, to mar a good administration at the last minute by playing politics with the needs of the teachers.

Call it now, Governor Johnson, if, in your judgment, a special session is necessary.

A Suggestion To Grocerymen

I was talking recently to one of the grocerymen of Grenada who stated that it required several hours for him to get his "points" straightened out after he had closed his place for the day. Dependent upon the amount of business done, it takes an enormous amount of time and energy to "keep books" on the various points. In the interest of winning the war, this extra work is being done cheerfully by the man I talked to, and, no doubt, by most of the men handling groceries.

There are just so many groceries to buy by the public from the retailers. The rationing system limits the amount handled. A groceryman could, with the cooperation of the public (which itself is becoming accustomed to the "new" ways) sell all that he is permitted to sell in, say, eight hours, or maybe seven hours. Then the groceryman could devote a couple of hours to "pointing up," and go to a well-deserved rest. It seems to me that the groceryman--handling only limited quantities of necessities are in an enviable position, and that they can get through this period without killing themselves, and at the same time serve the public just as well. All they need is to "get together" and work out a mutually satisfactory agreement along the line stated above

Drug stores and other stores handling things that are not absolutely essential are, no doubt, in a treadmill, and these establishments should stay open as long as humanly possible not only to take care of the civilians, but to take care of the soldiers—the latter group being off only in the late afternoons and at nights. This latter group has some responsibility to the soldiers to fit their hours to the hours of the soldiers. We asked them to come here, and we should give them our best service and our best attention.

The soldier, who is well-fed at camp, has no real business with the groceryman, and, therefore, the grocerymen can, if they wish to make things light on themselves, shorten their working days without harm to the public.

Give Him More Money

This is in no sense intended to be a criticism of Mr. Talbert, the City Street Commissioner, who seems to be doing the best he can with the limited funds and equipment that he has.

But, in the interest of health and cleanliness, something MUST be done to remove garbage more rapidly.

I cannot but note the mess that has accumulated during the week-end in the vacant area between the business houses between Main and Green which, up to noon today (Monday) has not been removed. This mess attracts flies, bees and other winged varmints. During the winter months, such an accumulation of mess might have done no harm, but Summer and the hot days are at hand. My neighbors have kindly avoided dumping mess on my land, for I threatened to fence up my vacant land in that area if the custom of making a trash pile of my land continued.

The strain on the facilities of the Street Department increases with the coming of each and every soldier and with the coming of each and every civilian. Every one of them is instrumental in creating just a little more mess; by buying a box of ginger snaps and throwing the empty box on the street, by throwing away milk bottles and straws, by buying a serving of fresh orange juice, etc., etc.

With the arrival of the hot, steaming summer days and nights, conditions will be intolerable in and about here unless the Street Department receives additional money and equipment.

The extra money could be obtained by reducing the salaries of ALL officers to the point the salaries were when the officers sought the offices.

Miscellaneous Thoughts

Overconfidence is dangerous. It is dangerous for a businessman to underestimate the strength and resourcefulness of his competition; it is dangerous for a candidate to think that "I am the great I am", and to discount his opposition; it is extremely dangerous for a nation to underestimate the striking power and the fortitude of an enemy.

We run of the mill Americans gained the impression from expressions of some of our leaders that Japan was a push-over; that our navy could whip Japan "some morning before breakfast." Even today, most people think we cannot lose, yet can assign no logical reason why we cannot lose. Captain Rickerbacker recently told members of the Ohio legislature that victory "is not sure."

Now that we are gaining—hold fast! Now that Casablanca has become synonomous with the United Nations resolve for Unconditional Surrender—hold fast! Don't loosen your grip on the rope that leads us to the accomplishment of Victory and the Four Freedoms. Don't let down on your grip on the rope—your own personal, continuous buying of War Bonds. It is a long pull and a hard pull—but just as the RAF continues to unloose block-busters; just as our tank corps in Lybia continues to plow through opposition; just as our Navy continues to keep the Pacific shores safe, and our Army to make Guadacanal unpleasant for the Japanese—so our buying of War Bonds must keep the means of all these advances on the go. Hold Fast! It's a slogan for all of us. Buy as we've never bought before—buy now and buy every pay day. It's the most important SALE in history today.

Dig Deeper, America—you, the vast army of civilians can do your part in dollars! dollars of sacrifice and saving put into circulation for Uncle Sam! dollars that multiply into war bonds, dollars that pay interest in planes, carriers, tanks!—buy all the War Bonds you can afford today. YOURS may be the bonds that break the Axis back.

Jack B. Carlisle Seeks District Attorneyship

Ackerman, Miss., April 6, 1943

To The Citizens of The 5th Circuit Court District:

I am today making my formal announcement for the office of District Attorney for the 5th Circuit Court District, which offices it will be your duty and pleasure to elect in the coming August Primaries. Long have I cherished the ambition of serving you in this capacity, and to that end I have prepared myself by proper education, experience, a solid sense of justice, and temperament. Nourishing the desire to fill this office, I heretofore have made my desire known to hundreds of friends in the seven counties comprising the District, and they having so strongly urged me to enter the race this summer, that I now meekly submit to you my candidacy.

Feeling it my duty to inform you concerning myself, since I am a candidate, I now respectfully give you some facts. I am the third child of a family of nine children, the son of Joe B. and Annie Tomlinson Carlisle, both deceased; my father departing this life only last week at Weir, Choctaw County. I am a native of Attala County, having been born on a farm in the Liberty Hill Community of that County on March 19, 1908, making me now 35 years of age. My saintly parents never having much of worldly wealth, coupled with the fact that there were nine children to feed, clothe, and educate, were able to aid me but little with my college and university expenses, but Kind Providence being willing, by hard work and practicing strict economy, I was able to maintain myself at Holmes Junior College, the University of Mississippi, and finally gaining my law degree with honors at Cumberland University in January, 1938. At the February, 1938, State Bar Examination I was admitted to the practice of law, and ever since have maintained my office at Ackerman. Virginia Patterson, of Weir, Choctaw County, and I were married at Louisville September 9, 1939. I am an active member of the Methodist Church; past president of the Ackerman Civic Club; past president of the Ackerman Exchange Club; for the past three years have been chairman of the Choctaw Democratic Executive Committee; member of the Mississippi State Bar; member of the Mississippi State Junior Bar; am now serving as Commissioner for the 5th Judicial District of the Mississippi State Bar; and am now also an officer of the Mississippi State Junior Bar.

For more than five years I have successfully engaged in the practice of law. I have handled many cases, both large and small, civil and criminal, in all of the Courts of our State as well as in the Federal Courts. I have had much experience in the field of Criminal Law; which experience, I meekly submit, as qualified me for the duties of District Attorney. If you do me the great honor of electing me, I solemnly promise you an impartial, fearless, and honest fulfillment of the duties of the office. Being mindful of the burden on the shoulders of the taxpayers, I guarantee strict economy in the conduct of the State's business in the Courts. As the representative of the State, I shall prosecute but never persecute. I shall encourage the wayward Youth to become valuable citizens.

I am seeking this office purely on my own merits, feelin that I am qualified to properly fill it; and if I am fortunate enough to be elected, I invite now every man, woman, boy and girl in the District to come to me and assist me in the prevention and prosecution of crime. Please feel, as I shall, that you are a part of my administration, and with your cooperation we shall have the greatest administration in the history of the State.

My platform will be announced at a later date, and I trust that I shall discussing the issues of this campaign have an opportunity of meeting and with all of you in the near future.

Earnestly soliciting the support and influence of each and every citizen, and assuring you that I shall be forever grateful for your every effort spent in my behalf, I am

Your friend,
JACK B. CARLISLE.

Seen, Heard and Told By The Editor

I am in favor of opening anything and everything—where the owner so desires—on Sundays, so that the lonesome soldiers can do something beside walk aimlessly up and down the street. Such an opening up will not keep a SINGLE one of them away from church. Those who want to go to church will go anyway.

I think Mike Conner will lead the ticket, and will win in the run-off, but I do not think he has a Chinaman's chance of winning in the primary Folks who preach that kind of doctrine to him are not doing the cause any good.

Certainly the army, now preparing to separate fathers from their children, do not expect an early victory, otherwise it would not be preparing for a 13,000,000 man army.

New Red Cross Nursing Class To Begin Next Week

Miss Mary Howell will be in Grenada on April 19 to start teaching Red Cross Home Nursing classes in Grenada County. Miss Howell has recently been teaching as a volunteer in Johnstown, Pa. She was with the Standard Oil Company for many years as Director of their hospital in Samatra (Dutch East Indies). Miss Howell will be in Grenada for three months.

We hope that every one in Grenada who is interested in Red Cross Home Nursing will register for a class to be taught by Miss Howell.

The organization meeting for the Red Cross Home Nursing class will be held at the Rest Room in First St. on Tuesday afternoon at 3 o'clock, April 20. Every lady interested in this great work is asked to be present at this meeting. For further information you may call Mrs. Jennie Lewis at Red Cross office 464.

CANDIDATE FOR

STATE SUPERINTENDENT OF EDUCATION

To the People of Mississippi:

In announcing my candidacy again for State Superintendent of Public Education, I am profoundly grateful for the 128,902 votes received in the August, 1939, primary. Having been practically unknown, without an organization, with but very little financial suppoprt, and having had to compete with a well-organized state-wide political machine, I modestly agree with our friends in saying, "Our vote four years ago was highly satisfactory."

To the hundreds of people throughout the State who did not support us in the other campaign but who, realizing the need of an educational awakening, have manifested an interest in our behalf this time, I want to say that we appreciate your encouragement and are happy to have you join us in this great campaign for the educational welfare of Mississippi.

In due time, I shall submit my views on maintaining and improving our public school system during this tragic era and the post-war period so as to pprovide equal educational opportunities for all the children of all the people according to their individual needs, abilities, and vocational interests, as modified by the ideals of the community and state.

I plan to see as many of you as possible, but since the War prevents a normal campaign, I humbly ask that you visit our headquarters in the John Hart Building when in Jackson or write us, making any suggestions or offering any assistance which will tend to improve our educational status or augment our Victory campaign.

Sincerely,
MARTIN L. RILEY,

Over 600 Jewish Soldiers to Participate In Passover

With the cooperation of Army officials, the Jewish community of Grenada has arranged for over 600 soldiers of Jewish faith at Camp McCain to participate in the traditional observance of Passover, the Festival of Freedom, starting at sundown April 19th, it was announced by Harry Greenfield, chairman of the local Army and Navy committee of the Jewish Welfare Board.

At sundown, the Jewish soldiers will attend a seder service, the traditional Passover observance at which the eldest member of the family reviews the history of the exodus of the Children of Isreal from Egyptian slavery.

On the same evening, and on the evening of April 20th, servicemen who obtain leave will participate in services at Memphis, Tenn., where many homes will be open to the soldiers, with civilians playing the role of foster parents to the young Jewish servicemen for the evening.

Arrangements between army authorities and local Jewish residents for the Jewish soldiers to observe Passover were made by the Grenada Army and Navy committee of the Jewish Welfare Board. Those who had an active part in the arrangements were Mr. Harry Greenfield, chairman, Mr. Hyman Kresteel, Mrs. Sam Pomerants, Mrs. Irving H. Levine, Mr. and Mrs. Harry Gordon, of Coffeeville, and Mr. John Karpeles, USO-JWB Director.

Masonic Meetings

Grenada Lodge No. 31, F. & A. M. will meet in special session Monday evening, April 19th, at 7:30 p. m. to confer the Master's Degree. On Thursday evening, April 22, Entered Apprentice degrees will be conferred.

All visitors, and especially the Officers and Soldiers from Camp McCain and the Air Base, members of the order, are cordially invited to attend.

For the benefit of the officers and soldiers, members and candidates from other states, Grenada Lodge meets each Monday evening for degree work and lecture classes as a courtesy to Masonic Lodges of other states, that have requested this work.

E. M. Whitaker, Secty.

NOTICE

We understand there has been quite a bit of comment with reference to the City allowing City Marshal, W. W. Odom the privilege of attending the Federal Bureau of Investigation Academy at Washington. For your information we wish to state that the City is not paying Mr. Odom's expenses, but he made personal arrangements to take care of that himself.

We are quoting below the exact order passed by the board on this matter:

"On motion made by L. D. Boone duly seconded and put to vote, aldermen voting "aye", excet alderman Ray not voting, permission was granted to W. W. Odom, City Marshall, to attend FBI Academy at Washington, D. C., at his own expense; further ordered that J. T. Ray serve as Chief of Police in the absence of W. W. Odom."

It is hoped that this explanation will clarify the situation.

L. C. Proby, Mayor.

Mr. and Mrs. June Angevine spent the last week end in Knoxville, Tenn., as the guests of their aunt, Mrs. Lena A. Warner. They returned Monday.

Mr. John J. Karpeles, USO-JWB Director will speak at an interfaith luncheon meeting on Tuesday, April 20th at Oxford, Miss. The meeting is being sponsored by the North Mississippi National Council and Oxford.

The Old Ash Hopper

Ever so often some one will come along with a far off look in their eyes and with a deep sigh, will say, how they wish the good old days were here again. They only remember the nice things, such as the old swimming hole or the all day singing with dinner on the ground and don't think of the hardships they passed through.

SUSAN KEPT 'EM WET

Yes, back in the so-called good old days every family that claimed to be somebody had an old ash hopper and in the fall and winter would fill it with ashes and ever so often SUSAN would wet them down and put a cover over the top and the old ashes would rot and then the big day would arrive.

SHE'D PUT A FIRE UNDER THE POT

Most folks had a big old pot with legs on it and SUSAN would stand it up on some brick and put a fire under it and get out the old meat rinds and grease that had been stowed away and take the alkali or whatever it was from the ash hopper and cook it all up together. Yes, she made soap with it.

IT HAD ONE GOOD VIRTUE

It would really clean things altho most of it was like jelly, some folks could make it so that you could cut it with a knife. Of course it's like everything else, some folks do a better job than others.

POOR SUSAN DIDN'T KNOW

It's such a pity SUSAN couldn't have come on down to our days where nearly every one is a KING or QUEEN compared to slaving and drudging they had to do back yonder and she could have had some time for music, good books or play in the flower garden as nearly every one now only works forty hours weekly except a few of us numskulls.

It's Wrapped And Perfumed Now

Oh yes, when spring house cleaning time arrives, now, all you have to do, is drop in at VOLLIE'S SUPER MARKET and for a few cents you can get any kind of cleaning material. P. & G. - OCTAGON - O. K. or WASHRITE LAUNDRY SOAP, LUX - PALMOLIVE - LIFEBUOY - CAMAY - IVORY - MOON ROSE - OCTAGON and SWAN TOILET SOAP and most any of them will make a sixty year old have that girlish complexion.

Any one having any LINGERIE needing cleaning can get LUX FLAKES - DUZ - IVORY SNOW - IVORY FLAKES and if you have dirty greasy dishes it's SELOX - OXYDOL - SUPER SUDS and KLEK. And wood work it's OCTAGON - LIGHTHOUSE - and SUNBRITE CLEANSER.

Of course you'll need JOHNSON'S GLO COAT or WAX for the floors and just in case you need a BROOM we have them.

Squire Pickle was recently paid up stated that Beat Four, in which he lives, he dispenses shade tree justice was getting almost as wicked as Grenada, which is saying a mouthful.

My secretary, Overseer Terrell, received a postal card from Baby Blue, now Pfc., asking that his address be changed.

Those who have original photographs here, PLEASE come and get them. We cannot be held responsible for them forever

Mrs. Stanley Brown gave a renewal as a birthday present to her mother, Mrs. J. C. Brown. Happy birthday, Mrs. Brown

We have added to our line of military stationery, packages containing 100 sheets with the Nurses' Corps emblem and the words, "Camp McCain, Miss."

The reason we did not have more ladies of the evening here is that they cannot find places to open offices.

And so, Mary Elizabeth Thayer has gone off and got married. I did not think she would stay single long, being such an attractive young lady.

Brother J. H. West looks right nice in his new hat.

Speaking of Wests Bob West, with an A card, thinks the traffic lights are fine. I do not. I think they cause too much waste in gas, rubber, time and patience.

What possible excuse is there for a traffic light at the corner of Main and 4th?

Open up the town on Sundays and give the soldiers something to do, I believe, if ONE "blue law" violator was brought before Judge Carothers, he would say, "Bring the rest of them in too."

Alut they sweet.

Albert Clark is so busy painting that he is turning down paint jobs.

Nobody much seems to be paying any attention to politics except to candidates.

The Ferdinald Club failed to meet last week, tho several of the members were itchy about it.

C. C. Hamby, Jr., who has been overseas in the army, telegraphed his father and mother, Mr. and Mrs. C. C. Hamby Monday that he had returned to the United States.

I hope that our friend and subscriber, Mr. E. V. Cato, of Webb, Mississippi, has improved. The last I heard of him, he was in bad shape physically.

The GCW is headquarters for personal military stationery. We prefer that you buy the "stock" stationery from one of our retail outlets.

We recently created a new design in stationery, that is, for the Army Nurses. It's as attractive as some of those pretty nurses, too.

The stork has a great deal of future business in Grenada. It must be the war.

Our granddaughter, Miss Shirley May Whitaker, the future "boss" of the GCW, visited the GCW office Monday afternoon.

Brother John Bailey has started working for John Willingham.

I note that the nickel-catchers are in full operation in Grenada, and I do not see a dern bit of harm in them.

Some of you have thrown your subscription notices into the fire and pretty soon you will be thrown into outer darkness.

Captain James H. Biddy's address has been changed to care PM, N. Y. and that means that he is somewhere in Africa or Europe.

Dear Senator Eastland: please send me copies of the printed Truman reports.

It looks like we folks made no mistake in sending Jim Eastland and Tom Abernethy to Congress.

When you cannot get EXACTLY the kind of goods you want, or when a shipment is delayed, or a letter a day late, just remember that those are small sacrifices compared to the sacrifices being made by the men in our armed forces, and are probably small sacrifices compared to those we must face before the war is over.

CHAPEL PROGRAM

Mr. Rundle conducted chapel Wednesday afternoon. He spoke from the book of Joshua and emphasized his talk with the fact that it took Joshua 70 years to get a "First place in Life".

Larry Noble, who is to represent Grenada High in the declamation contest held here Saturday, spoke before the assembly.

The Grenada High Glee Club also gave a portion of their prgram that will be given n Saturday.

DRAMATIC CLUB

At the Dramatic Club meeting Thursday three short plays were given:

THE END OF CAESAR
Caesar, Mary Aldrich
Brutus, Sara Cohen
Cassius, Margaret Clark
Slave, Gerre Gwin.

THE FATAL GUEST
King, Ida Pearl Craig
Queen, Willie Evelyn Campbell
Princess, Annie Ruth Litten
Duke, George Granberry
Curtains, Louis Abel and Mary Ella Horn.

WHO'S OSCAR?
Mary Jane Perry.
Mary, Gerre Gwin.

The following were elected next year's officers of the club: Martha Cullen, President; Blanton Duncan, Vice-President; Willie Evelyn Campbell, Secretary.

GIRL RESERVES MEET

Since there are only a few more weeks before the summer vacation begins, Girl Reserves have already begun to think about camps.

At their meeting Thursday, Jean Geeslin and Beebe Cullen had charge of a camp program. The purpose of this program was to inform the girls about the two Girl Reserves camps in Mississippi—Camp Roukbrook at Macon, Miss., and Gulf Park at Gulfport.

After the program, all the girls joined in the singing of camp songs and familiar Girl Reserve songs.

The Junior-Senior party, which will take place next Friday night, brings to the mind (optimistic, huh?) our predominating question—How will I get a date with whom?—To the girls of GHS—a date is a phenomenon that occurs when a boy and girl enjoy each other's company at the show, high school party, or elsewhere

Flash! After the lapse of nearly a year, the reunion of Giles and Margaret is blossoming along with spring. We know—"In the spring a young man's fancy.

Congratulations to our luck winners in the recent field meet

We are all hoping that a reconciliation has occurred between Olga and George by this time. Ditto—Jay and Marguerite. True love never runs smooth!

Attention all you people on the romantic side. We point with pride to the couple of the week—Buddy and Mare Nell—Luck to Ya!

That lovely couple—Rogers and Emma Jean. They got it bad. Good huh?

THE HOME FRONT

The big drive for war bonds which started this week has a two-fold purpose. In addition to the obvious one of raising 13 billion dollars for direct war needs, it will check inflation. As a nation we have more money to spend now than ever. Unless people invest that money, unchecked spending will bid up living costs, cause inflation, and raise cain with our personal finances.

OPA says that extra sugar for home canning of fruits will be forthcoming through the local boards again this year. Housewives may count an approximately the same plan as that in effect last summer—one pound of sugar for each four quarts of fruit.

NO NEW LIQUOR

Despite recurrent reports, no more whiskey or other distilled liquors will be manufactured until after the war. Distillers are using all available facilities to produce industrial alcohol.

Piles of card wood are running low in many parts of the South. And there should be a big demand for wood next fall and winter, because there's none too much coal in sight.

PATCHING THE ROOF

Price ceilings which have been placed on specific items, will be extended to cover all the goods we buy which affect the cost of living. Even horse meat is being bought under ceiling in case anyone is interested.

Meat rationing didn't cause as much flutter in the South as some quarters expected. Housewives caught on quickly to the mechanics of the new program, and there were few complaints. Some didn't understand about chicken. But no poultry is being rationed. Buy all you want.

CABBAGES AND THINGS

Cabbages have been hard to get in many sections of the South, but truckers were given a boost last week. Price ceilings remain, but now the cabbage shortage has come to ahead. OPA says there'll be more for sale in Dixie soon.

Victory gardens have been started in Southern Army camps. Farm workers are being imported from Jamica, Mexico, and the Bahama Islands. Thousands of women have taken the place of men "working on the rail road."

"GANG-WAY FOR MISS BUS"

Don't cuss the bus these days, for its driver may turn out to be a lady. Some lines are hiring them to solve the male driver shortage.

Fishermen have been asked to look out for scrap.

After Thursday, says OPA, tire inspection records must be kept in our autos. And WPB last week showed it means to enforce gas rationing in the South when it cracked down on a gas company in Atlanta which had been over-bountiful in supplying service stations.

STOP SIGNS REMOVED

Five sets of stop signs have been removed from streets intersecting Central following an investigation by Commissioner Boyle and Captain Allen of the stop signs that might be unessential.

The stop signs were removed at intersections of Central with Waldran, Radcliff, Gibson Place, Roland and Roselle.

Removal of the signs was ordered by the city officials as a means of avoiding unnecessary stopping. It is expected to save gasoline and rubber.—Commercial Appeal.

All From Wood

Wood is known in Germany today as "universalrohstoff"—the material of which anything can be made. German soldiers are clad in fabrics produced from wood. They eat yeast, molasses, and sugar made from wood; also cattle.

German soldiers move to Russian battle lines in wood-gas-driven trucks which are greased with tree-stump lubricants and employ Buna tires made from wood alcohol.

Pull the Trigger on Constipation, with Ease for Stomach, too

When constipation brings on discomfort after meals, stomach upset, bloating, dizzy spells, gas, coated tongue, and bad breath, your stomach is probably "crying the blues" because your bowels don't move. It calls for Laxative-Senna to pull the trigger on those lazy bowels, combined with Syrup Pepsin for perfect ease to your stomach in taking. For years, many Doctors have given pepsin preparations in their prescriptions to make medicine more agreeable to a touchy stomach. So be sure your laxative contains Syrup Pepsin. Insist on Dr. Caldwell's Laxative Senna combined with Syrup Pepsin. See how wonderfully the Laxative Senna wakes up lazy nerves and muscles in your intestines to bring welcome relief from constipation. And the good old Syrup Pepsin makes this laxative so comfortable and easy on your stomach. Even finicky children love the taste of this pleasant family laxative. Take Dr. Caldwell's Laxative Senna combined with Syrup Pepsin, as directed on label or as your doctor advises, and feel world's better. Get genuine Dr. Caldwell's.

Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of the poisonous impurities. The rest of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure.

When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide disturbances. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbances.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are recommended the country over. Insist on Doan's. Sold at all druggists.

DOAN'S PILLS

Pasturing Cows for First Time in Spring

Sudden Change in Diet May Lower Milk Output

Although luscious, green grass is one of the best dairy feeds, milk production may drop when cows are first turned out to pasture unless special care is taken to prevent it, says W. B. Nevens, professor of dairy cattle feeding, University of Illinois college of agriculture.

It is best not to turn cows to pasture for the first day until after they have been well fed in the barn, and then to limit the number of hours at pasture for the first two or three days. A sudden change from the feeding of hay, silage and grain mixture to pasture feeding only may cause a sudden drop in milk flow and digestive disturbances.

Fresh, green grass is so palatable in early spring that cows will fill up on it if given the opportunity, but, because of the high water content of the grass, they fail to receive enough nutrients from grass alone to maintain high milk production.

A grain mixture should be fed to higher-producing cows throughout the pasture season, Nevens points out. Holsteins, Swiss and Ayrshires need about one pound of grain mixture for each three pounds of milk produced over and above 30 pounds daily, while Jerseys and Guernseys need about one pound of grain mixture for each 2.5 pounds of milk a day over and above 20 pounds daily.

If cows do not care for grain mixture when pastures are luxuriant, it may prove advantageous to take them from pasture one or two hours before feeding time so that they will consume the mixture more readily. The use of 1½ to 2 per cent of salt in the grain mixture is also helpful. As soon as pasture grasses begin to ripen or become scanty in amount, the rate of feeding may need to be increased.

It may not be a zoot suit but it's the style for smart high school students this season.

Agriculture in Industry

By FLORENCE C. WEED

SHEEP

One industry where there is never a surplus is wool-growing. The United States has 472,000 wool producers and 46,000,000 sheep, yet 40 per cent of the nation's requirements must be imported. Two-thirds of our output comes from the Rocky mountain and West coast states. Chief producers are Texas, California, Wyoming, Montana, South Dakota and Ohio. We also produce each year about 350,000,000 pounds of shorn wool and 60,000,000 pounds of pulled wool from slaughtered sheep.

After the fleece is removed from slaughtered sheep, the slat goes into glove leather, lining for shoes, sweat bands for hats, and college diplomas. The wool grease or lanolin is used as a basis for medicinal ointments.

Sheep fat has wide uses in tallow, soap, stearine or oleo oil. As glycerine, it goes into anti-freeze liquids and finds uses in paints, cellophane, cosmetics and bases for polish. Blood is used in serums, medicines, weather-proof glue and animal feed and as a retardant for plaster.

It requires the glands of 100,000 lambs to make one pound of adrenaline, the powerful heart stimulant which has been known to cause a heart once stopped to resume its beating. Sheep intestines become strings for violins, cellos, harps and ukuleles and many other musical instruments. They are much used for surgical ligatures to tie blood vessels and sew wounds during operations. They are much favored because nature absorbs them while the wound is healing. The best quality of casings can be used for strings for tennis rackets.

Farm Notes

Agricultural insecticides and fungicides will be available in sufficient quantities this year for all farm and urban victory gardens.

WEEKLY NEWS ANALYSIS

U. S. Food Payments Urged for Poor; Tunisia Trap Closes on Axis Armies As Allied Air Blitz Destroys Ships; Truman Group Eyes Hoarding Charges

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysis and not necessarily of this newspaper.)

Released by Western Newspaper Union.

The toll of German prisoners has increased steadily as British and American forces have driven in on Rommel's cornered Axis forces in Tunisia. Typical of the multitude of captives is the above group of German prisoners taken in the British drive north of Gabes.

NORTH AFRICA:
Axis Hold Shrinks

Of key importance in heralding the possibility of an earlier-than-expected finish of the Tunisian campaign were reports that the harbor and shipping facilities of Gabes had been left undamaged by the Axis forces in their hasty retreat from Gen. Montgomery's onslaughts.

With Gabes functioning as an Allied supply port, the long overland haul of war materials from Tripoli or Bengazi far down the African coast in Libya could be avoided. Moreover, Allied sea and air power concentrated in Gabes could further harass the Axis forces.

The all-over battle for North Africa was not yet won, but steadily British armies from the north and south and American armies from the center were tightening the squeeze on the remaining Axis troops in Tunisia.

As Marshal Rommel's forces had made their last desperate effort to beat their way northward for a junction with Col. Gen. Von Arnim's troops in the Bizerte area, reports indicated that the Axis had flown fresh troops into Tunisia. To relieve the pressure on Rommel, Von Arnim's forces had staged a brief counter-offensive against British forces near Bizerte. Control of the air over North Africa had appeared to be turning overwhelmingly in the Allies' favor, as raids shook the Axis lines and turned Rommel's retreat into a nightmare.

Meanwhile in answer to reports that Germany had commandeered the Italian fleet and all available French merchantmen preparatory to an attempt to evacuate Italo-German armies from Tunisia in an Axis "Dunkirk," the Allies staged an unprecedented raid by 100 Flying Fortresses that smashed the important Axis supply base at Cagliari, Sardinia, damaging 26 merchant ships and netting 71 enemy planes out of commission. Simultaneously, waves of American Billy Mitchell bombers struck at an Axis convoy in the Sicilian narrows, sinking at least three large ships and leaving others burning and settling.

INVESTIGATION:
Of U. S.-Held Foods

Into a maze of charges and countercharges that the government itself had become No. 1 food hoarder, the senate's Truman investigating committee plunged in an effort to obtain the facts.

Chairman Harry S. Truman announced that a two-way investigation was in progress. One phase is to inquire into the amount of food held by government agencies. The other was to investigate the needs of the armed forces. Information from both government and private sources had been obtained, he said.

Previously, members of the food trade and others had charged that the armed services are hoarding processed foods and thus forcing less than necessary civilian allowances under rationing.

"Supplies of food for the armed forces must be sufficiently great to assure that there will be plenty of food for our soldiers and sailors," Truman said. "However, care must be taken to assure that the government does not itself become a hoarder."

FOOD SUBSIDY:
Urged to Aid Poor

Suggesting that the government pay persons in low income groups special allowances to enable them to buy sufficient food, Roy F. Hendrickson, head of the Food Distribution administration, declared he believed that otherwise these people would "find it tough to get food."

Emphasizing that his statements were his own personal views, Hendrickson declared that the plan he advocates would aid the farmer. Declaring the problem had to be "treated from both ends," he said that the farmer had become discouraged because food costs have gone so high while prices paid him have not risen in proportion.

"We have got to see that the farmer is able to market his stuff," Hendrickson declared. Any volume of income to the purchasing class is bound to help the farmer."

In addition to the low income groups, he suggested payments for the aged, the blind and otherwise handicapped.

POSTWAR PLANS:
Poland Speaks Up

With postwar peace plans gaining increased attention in Allied chancelleries, the Polish government-in-exile served notice that Poles would resist "to the last man" any claims from any quarter aimed at the "sovereignty and integrity of Poland."

Spokesman for the Poles was Prime Minister Wladyslaw Sikorski, now a resident of London. Target of the statesman's remarks was Russia, since the Soviet government recently announced its intention of retaining the Polish Ukraine and the area bordering on White Russia which was taken from Poland under the German-Russian partition of Poland in 1939.

But even as he stoutly proclaimed his doctrines of independence, Sikorski recommended that an Allied air force should go to the Russian front after the fighting in Tunisia is concluded as an expression of United Nations' solidarity. He predicted a third German offensive by the German armies against Russia.

CIVILIAN GOODS:
No Further Cuts?

Taking stock of America's industrial power, Donald M. Nelson, chairman of the War Production board, declared that "Today we are turning out more goods for war than we ever produced for our peacetime needs, yet we have enough power left over to keep civilian standards of living at a high level."

Mr. Nelson predicted in an address in Chicago that the United States this year will turn out more than 80 billion dollars worth of goods for war purposes. The WPB chief's 1943 estimate compares with 48 billion in 1942, the first year after Pearl Harbor, 17 billion in 1941 and four billion in 1940, the year Germany smashed her way across Europe.

The figures will get even bigger, Mr. Nelson said, adding "as they grow the armies and cities of the Axis will feel an ever-fiercer flame, a more terrifying blast from the guns and bombs of America." Eventual victory, he declared, already is being foreshadowed in the "cold hard figures of production."

HIGHLIGHTS . . . *in the week's news*

OTTAWA: Meat rationing for Canada, effective early in May on the basis of two pounds a person a week, was announced by Finance Minister James Ilsley. Meatless days will be observed in restaurants, hotels and other public eating places after plans being prepared by the dominion price board are completed. The ration represents a reduction of about one-half pound a week.

WASHINGTON: Two new rear admirals were added to the navy's roster when President Roosevelt nominated Capt. Joseph R. Redman of Reno, Nev., and Capt. Francis Stuart Low of Washington, D. C., to these posts. Now with a command at sea, Redman was formerly director of communications at the navy department on the staff of Adm. Ernest J. King.

PETER AND JOHN IN GETHSEMANE

LESSON TEXT—Matthew 26:36-46; John 18:10-12.

GOLDEN TEXT—Watch and pray, that ye enter not into temptation. Matthew 26:41.

The morning of that great day when atonement was made for the sins of all the world was nearly at hand. In the darkness of the night, following the institution of the Lord's Supper, and the words and prayer of our Lord (John 17), He and His disciples came to the Garden of Gethsemane. Taking three of His disciples He went deeper into the shadows to pour out before the Father His soul, "exceeding sorrowful even unto death."

It is a sacred scene, and we feel a sense of awe and reverence as we approach it, feeling that we too would prefer to tarry outside the garden. did we not feel that we should try to understand a little better what took place that night.

We are especially concerned with Peter and John, who with James shared our Lord's sorrow up to a point, and then so sadly failed Him.

We note that they had a

I. High Privilege (Matt. 26:36-38).

To be asked by Christ to stand by in this crucial hour was to be entrusted with one of the greatest privileges a man could ever know. As there swept over His holy soul a great tidal wave of sorrow unto death, He wanted and needed their fellowship. As Dr. Maclaren puts it, He "grazed the very edge" of human endurance. "Out of the darkness He reaches a hand to feel the grasp of a friend, and piteously asks these humble lovers to stay beside Him; not that they could help Him bear the weight, but that their presence had some solace in it. His agony . . . they could not bear with Him, but they could watch with Him, and that poor comfort is all He asked."

Undoubtedly they intended to do it. Jesus bore witness that their spirit was willing (v. 41), but in spite of that, and all the boasting of Peter at the table that he would never desert Him, they failed Him in His hour of need. It was

II. Sad Weakness (vv. 39-46).

Our Lord's prayer showed great faith in God the Father, the terrific recoil of His soul against being blackened with the burden of sin, and a complete surrender to the Father's will. Here was true denial of self and submission to God, but it was nonetheless an appalling experience for our sinless Lord. So He went back for fellowship with His three trusted friends—and they were asleep.

Jesus recognized that the weakness of the flesh caused them to forget and slumber. We may profit by a little closer scrutiny of the scene. Was it just a physical tiredness? That doubtless entered in, but was not Jesus even more tired than they could possibly be? Was it not rather the weakness of indifference? They did not yet fully believe that their Lord was about to die. That was why they were quickly scattered in unbelief when He did die. This matter was not so serious in their sight, so it was not difficult to yield to the tired body and the deep, quiet darkness, and fall asleep.

We are in much the same position. Danger—grave, spiritual danger—threatens our souls, our families, our nation. We who call ourselves Christians have declared our readiness to stay awake and alert. But we hav become at home in this world, the enemy soothes us with the assurance that all is well, time goes on and nothing too serious happens. So, we go to sleep right in the midst of danger, and sleep on even though the Master awakens us again and again.

But now the scene changes. The mob has come to take Christ, and then the sleepy Peter, now much awake, indulges in

III. Foolish Courage (John 18:10-12).

The act of Peter was courageous, even to the point of recklessness. What chance had he against a great armed multitude? It was the natural impulse of a loving heart, but it was misguided and foolish.

What did he think to accomplish—to deliver Jesus from those who would crucify Him? That would have meant no death on the cross and no redemption. The hour for the offering up of the Son of Man as Saviour had come. Peter might have learned that with our Lord in the garden, but then he was asleep. Christ who had hitherto walked right through the crowd of enemies (Luke 4:30), now submitted. In the dark hours of the night He had been prepared to drink this bitter cup (v. 11).

We need to learn from this experience of Peter's lest we make the same mistake. There are all too many in the Church who are asleep as far as its spiritual struggles and opportunities are concerned, who are eager to wield a reckless sword in outward conflict. In their folly and ignorance they do more harm than good, and yet they think they are working for Christ.

SNAPPY FACTS
ABOUT
RUBBER

War workers cars are being checked in company parking lots by at least one manufacturer to make certain that tires are kept in serviceable condition. If the worker fails to have the tires required in these he is denied further application either for tires or recaps.

It takes three to eleven times normal effort to start an auto motor or bus without the choke, and you can't substitute slippery hills with here there that spin on packed snow, weeds gas and wear tires.

Each bumper on a rubber plantation is responsible for about 500 trees, which in one day's tapping will net an average of 50 pounds of latex, equal to about 17 pounds of dry rubber.

Automotive transportation suffocation in New Hampshire forced the reduction of that state's tire needs by 87 per cent as an example of what must be done in saving rubber now on motor vehicles.

AROUND THE HOUSE

When hanging pictures remember that the center of the picture should be on the level with eyes. If you are unusually tall, this rule does not hold good.

• • •

When two glasses become wedged together, place cold water in the upper one and set lower one in warm water. They will then separate with little effort.

• • •

To prevent the lower crust of fruit pies becoming soggy, brush over with the white of egg before putting in fruit filling.

• • •

Sprinkle a cake with cornstarch before icing to prevent icing running off.

• • •

If ivory enamel is to be used on furniture an undercoat of flat ivory paint first should be put on. Imperfections in the application of enamel will show less if a flat coat is added first.

• • •

Do not fill a bird too full when stuffing a chicken or turkey. Filling about three-quarters full is better. The dressing in cooking, will have a chance to expand.

• • •

A night light can be made from a half-burned candle. Light it for a few minutes and then blow out and sprinkle fine salt over the surface and halfway up the wick. The flame will be much smaller and the candle will burn slowly.

• • •

When tablecloths wear thin in the center, cut up the outside into 12 or 16-inch squares and hemstitch and use as napkins.

• • •

Wilted vegetables may be made crisp if covered with cold water and allowed to stand several hours in the refrigerator.

Chinese Cities Lit Up

Cities in Free China are still brightly illuminated at night because their systems of airplane detection always warn them of approaching bombers at least an hour in advance.

YOUR tape measure and a little figuring can help you save material when making those new slip covers. In estimating goods remember that the length and width of each section must be the same as the widest and longest measurement of the part of the chair to which it is to be fitted plus seams, seat tuck-in and flounce fullness.

Slip cover material usually comes in 36 and 50-inch widths. Frequently a narrow chair back may be covered by splitting a 50-inch width of goods. For other chairs 36-inch material might be cut to better advantage. If the material has a large figure an extra yard will be needed for matching and centering the design. Decide in advance which seams are to be accented with welting or trimming and measure them to determine the amount needed.

Just a Natural Curiosity To Know One's Position

The manager of Super-Colossal Pictures entered the office.

"Get out!" he howled at a young man sitting there. "While I'm boss I'll not tolerate any loafing around here."

"I beg your pardon," said the young man, "but I don't work here. I just came in looking for a position."

"Then you're engaged," growled the manager, "and now you're fired! Get out!"

The young man, surprised, picked up his hat and turned to the manager. "Do you mind telling me," he asked, "what sort of a job I had before I was fired?"

Compressing Food

Wartime shrinking of food to save shipping space brings us, step by step, closer to the old idea of a capsule meal. The latest wrinkle is compressing already dehydrated foods. Additional space saved by compressing ranges from 30 per cent for dried whole milk to 80 per cent for dried cream of cabbage soup.

A dehydrated and compressed potato brick, no bigger than a shoe box, can be crumbled in hot water, and, when mixed, makes mashed potatoes for 100 soldiers.

Do you know the new regulations on packages sent to men in the service? Here they are: You can send packages to soldiers anywhere in the U. S., although there are now Post Office restrictions on packages to overseas Army men; and you can send packages to men in the Navy, Coast Guard, and Marines, wherever they are. And when you send that package from home, remember—the gift men in the service always appreciate is cigarettes. And the favorite with men in the Army, Navy, Coast Guard, and Marines is Camel (based on actual sales records in Post Exchanges and Canteens). So stop in at your local dealer today—and mail him a carton of Camels.—Adv.

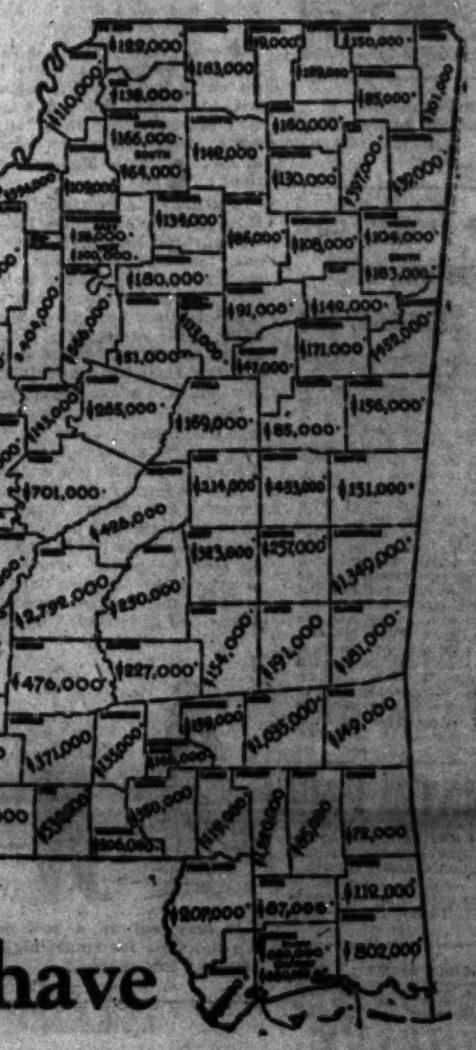
MISSISSIPPI Has a $25,310,000 War Job to do in April

Our Challenge IN THE 2nd WAR LOAN CAMPAIGN



★ Our Government is asking American citizens to lend it 13-billion dollars during the period April 12-30. Mississippi's part of this vital war job is $25,310,000. We can do it—we must do it—we must all realize the cold, hard truth: This is the toughest war in the history of our nation. We've made a good start — but we've only started. We've got to build more materials of war and we've got to fight more — which means we've GOT TO BUY MORE WAR BONDS! Seven different types of U. S. Government securities are being offered — you can choose the ones best suited to you. Just be sure to CHOOSE TO BUY SEVERAL TIMES MORE THAN YOU'VE BEEN BUYING.

★ OUR COUNTY has a larger quota for this 2nd War Loan Drive (see map on right) than at any previous time since the beginning of this war. This means we have gotten down to really fighting this war — fighting it with materials and men — and with our dollars! Let's do as our fighting men are doing on every front — let's charge forward without delay and reach the objective! For our country's sake — for the sake of our brave fighting men — for our own sake — let's invest ALL WE CAN in April!

★ You have done your bit — NOW DO YOUR BEST!
